2027 SPONSORSHIP OPPORTUNITIES

The overdose crisis takes an average of 188 lives every day, but with your support, Emily's Hope is making a difference. We have provided more than half a million dollars in treatment scholarships through the Avera Addiction Care Center and expanded our Emily's Hope K-12 Substance Use Prevention Curriculum through a transformative grant from the State of South Dakota. In partnership with the state, we have distributed over 25,000 naloxone kits across South Dakota, providing access to life-saving resources for communities that need it most. Our Post-Overdose Response Team has expanded to new counties, and our Youth Prevention Coalition is equipping students with the knowledge they need to make healthy choices through events such as the Emily's Hope Youth Art Competition and our Emily's Hope Youth Empowerment clubs. Together, we are saving lives, inspiring hope, and creating lasting change.
